

Welcome to livvie

THE RESIDENT APP - GENERAL
GUIDE

Logging in as a Resident

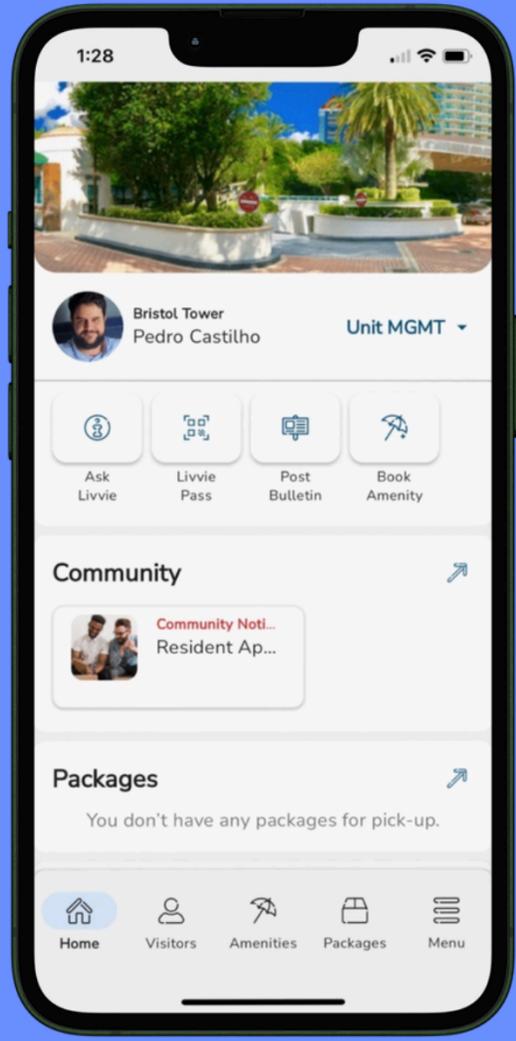

1. Find and download the Livvie - Resident App on the App store or Google Play store

2. Type in your registered phone number and press Continue

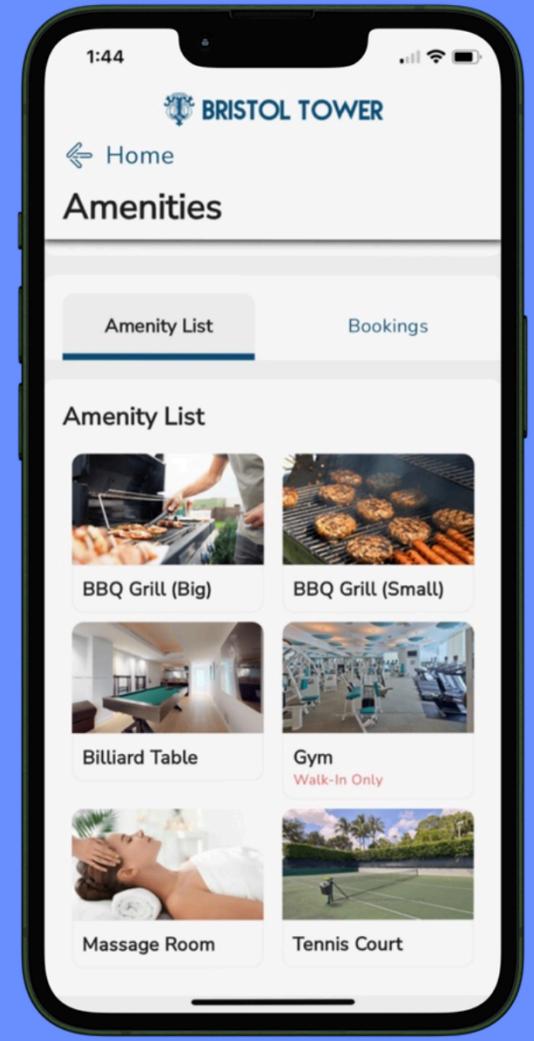

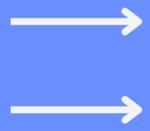

3. A verification code will be sent directly to your phone #, enter or type it in.

4. You are now in your unit profile within the app

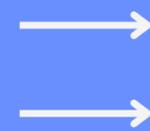

Reserve/Book an Amenity

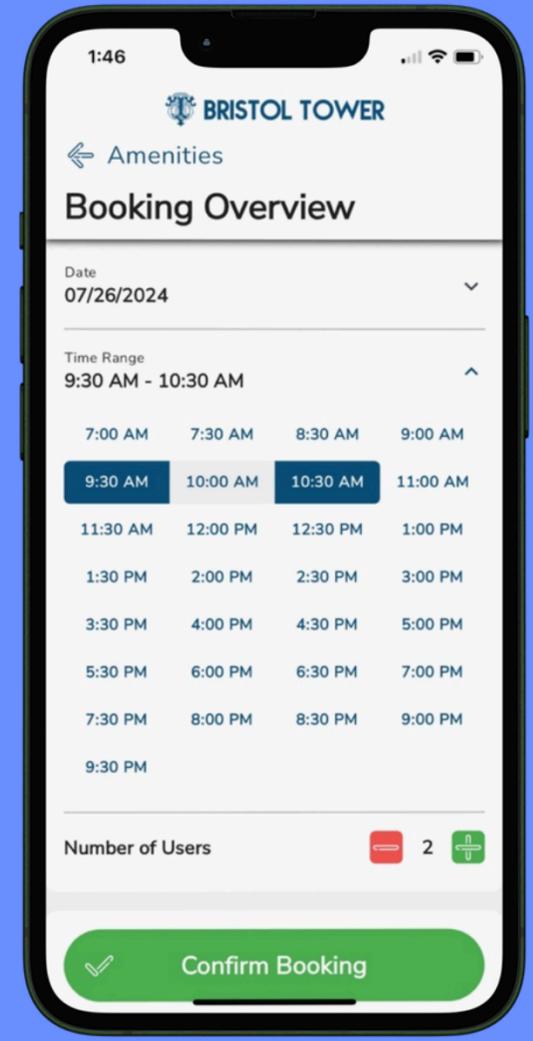

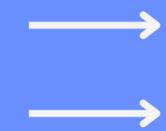

1. To reserve your favorite amenity, tap on Book Amenity

2. Select the amenity from the amenity list, otherwise, you may see your current bookings

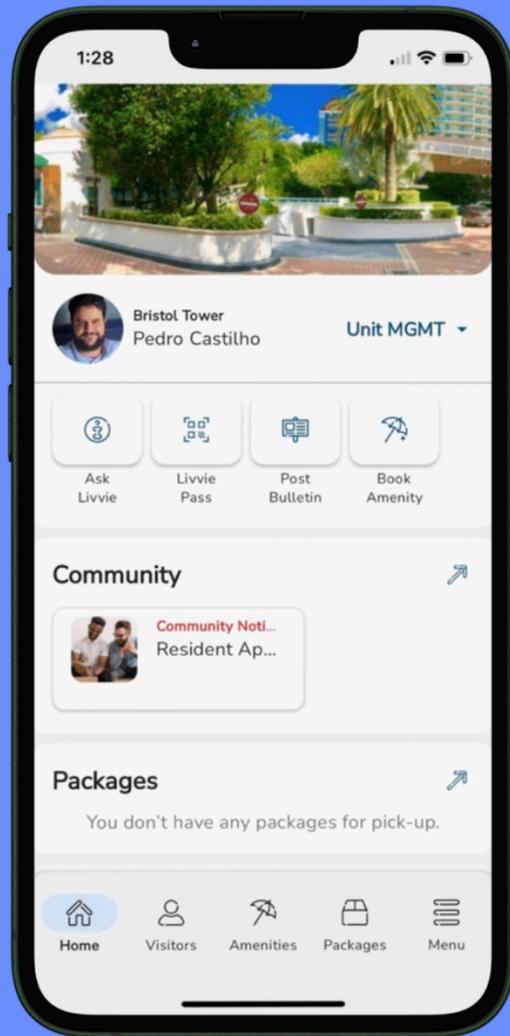

3. Select the day by tapping on the date

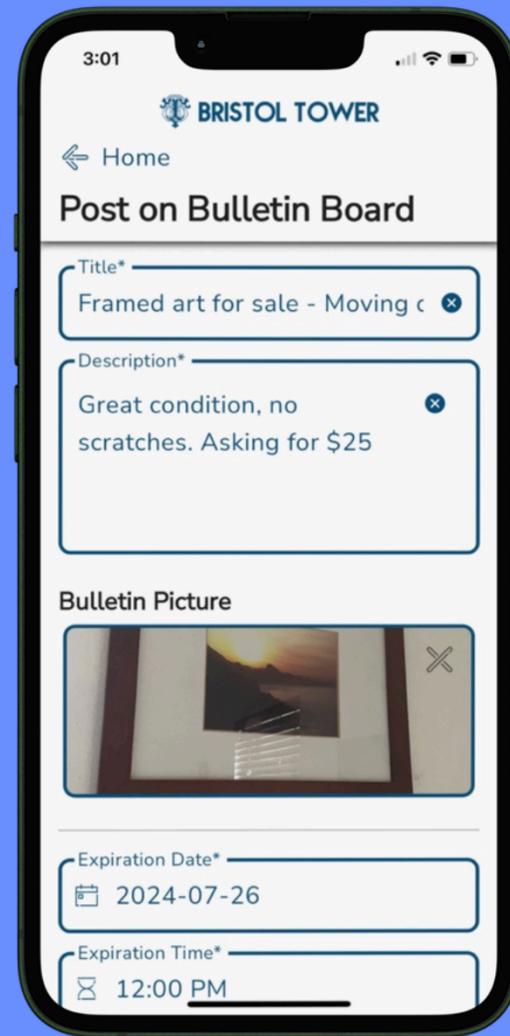

4. Select your time range, then the number of people including yourself. Confirm booking, you are now ready to play tennis!

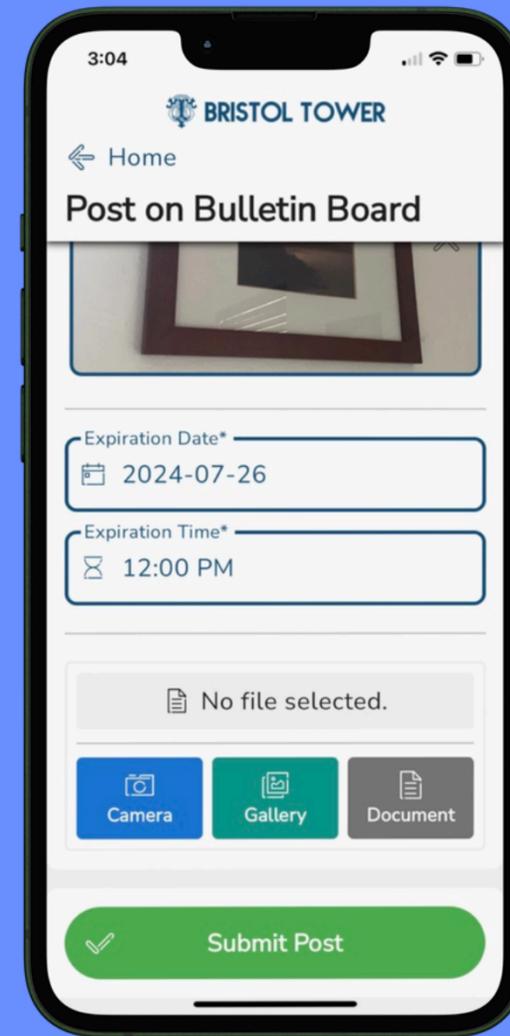

Post on Community Bulletin Board

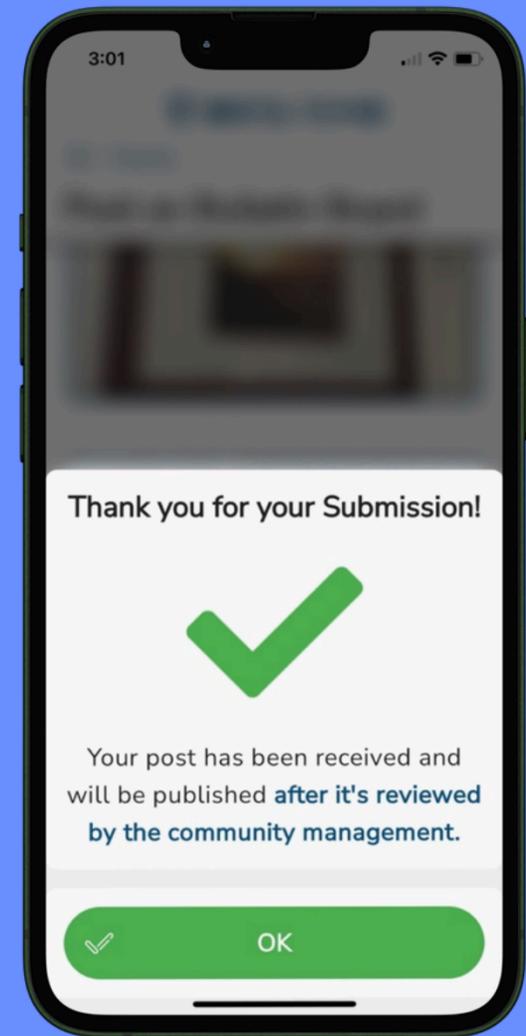

1. If you would like to share something in the community board, tap on Post Bulletin

2. Include a title and a small description. This is required.

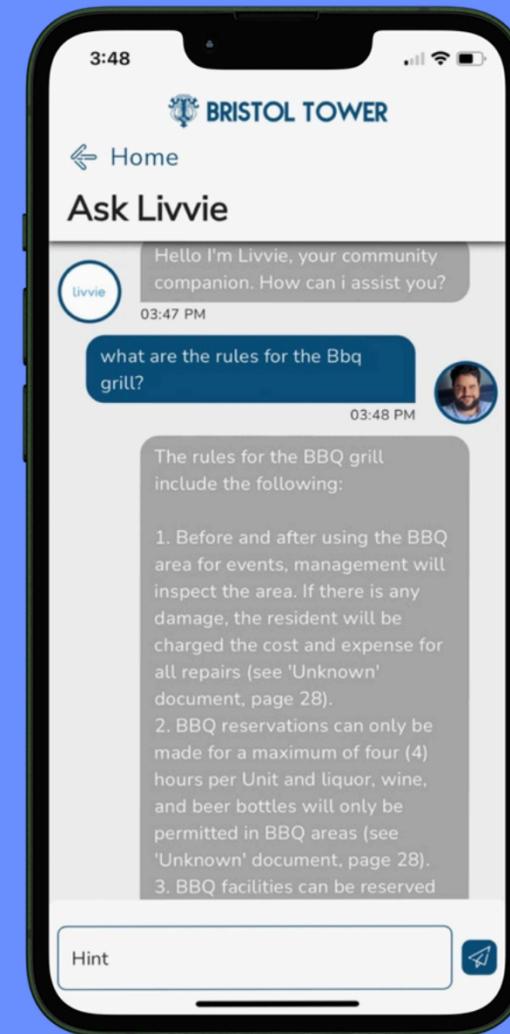

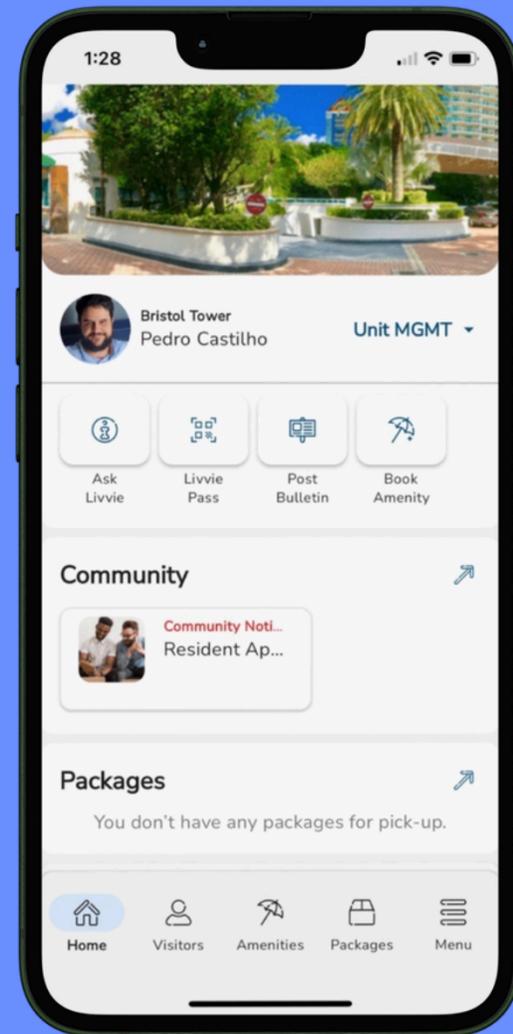

3. You may quickly snap a photo, even add a pdf file. Remember to enter an expiration Date and time

4. Success! You should see this message once you submit your request

If you get lost, just Ask Livvie!

Ask Livvie is a helpful chat bot that uses artificial intelligence to analyze the condo docs and any uploaded documents for the property

1. Tap on Ask Livvie from the home page to access your community chat bot.

2. Ask any condo or app related question, and Livvie should help you out!
